CLUB ETIQUETTE FOR MEN AND LADIES

1. Practicing on the course is prohibited anywhere but on the defined practice fairway, except that a member may play a practice round having not more than two balls in play, but not when competitions are in progress.
2. No one should **move, talk** or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.
3. In the interest of all, players should play without delay.
4. Players searching for a ball should signal the players behind them to pass as soon as it becomes apparent that the ball will not easily be found. **They should not search for five minutes before doing so.** They should not continue play until the players following them have passed and are out of range.
5. Before leaving a bunker players should carefully fill up and smooth over all holes and footprints made by them. **Leave rakes as near as possible to the centre of the bunker.**
6. Leave buggies at the spot most accessible to the next tee.
7. To attend the flag correctly, stand away at arms length from the hole, being careful not to damage the area around the hole. Do not stand on anyone's line or with a shadow across the hole.
8. Do not discuss the score on the green, but walk smartly to the next tee, where the player with the honour hits off and then writes down their
9. score.
   Dress rules apply. (See board).
10. Repair all divots - Sand buckets are provided near the first and tenth tees and members and their visitors are required to carry and use one.
11. Avoid walking or wheeling buggies in areas designated G.U.R. except as necessary to retrieve your ball.
12. Keep buggies off teeing grounds.
13. Pug marks on the putting green should be carefully repaired. Damage to the putting green caused by shoe spikes should be repaired **on completion of the hole.**
14. **Golf Cart Etiquette – Golf is a game played at walking pace and should be enjoyed by all who play. As driving golf cart is a privilege, not a right, please respect the rights of the walking golfer.**

CART AND BUGGY SHED HIRE - Members can hire a key to the cart and buggy shed by contacting the Secretary.

VISITORS - Members introducing visitors to the club's licensed premises must ensure that their visitors' names are entered in the visitors' book.

GENERAL CLUB RULES FOR MEMBERS

It is the player's responsibility to check that their card is correct and signed before handing into the Office. Handicaps must be on the card.

Lowest Marker in each group shall be the Group Captain and is responsible for speed of play, observance of rules and etiquette.

On any Competition Day, Members must enter for the Competition and play with opponents as directed by the Member on duty. **Only in four ball and mixed events may players arrange partners. Opponents will be allocated by the member on duty.**

Members may play a Single Event only if the Member or the Committee are unable to obtain a partner.

The honour at the 1st hole of play shall be the order of the draw, or, where there is no draw, by lot.

All competition play whether match play or medal play, shall be from the blue tee markers for men and red tee markers for ladies.

All non handicap golfers wishing to play in club events will be allocated a handicap at the discretion of the match committee. The maximum handicap to be allocated under this situation will be 18 for men and 27 for women.

MATCH PLAY - Singles and Four ball Matches - The Player with the lowest handicap will play off scratch. The other player or players will reduce their handicaps accordingly so that handicap differences between the players remain unchanged.

If a match is square after 18 holes, play will continue from the usual starting point - that is from the first hole on the course until a result is obtained. Match play events must be played ON the date set down. This rule may be waived in exceptional circumstances and then only after application to the match committee. Finals MUST be played on the date set down.

A time sheet will operate for all Knockout Matches and matches will be started from the 1st Tee only.
